Streamlined Operations

Enhanced Communication

Workforce Management

CareSmartz360
A BETTER WAY TO CARE

The Challenges

Diverse Caregiver Pool & Complex Operations Got You

Managing diverse caregivers, meeting facility needs, and navigating private pay complexities can be overwhelming. CareSmartz360 tackles these challenges head-on, offering a streamlined solution for efficient and effective facility staffing.

The Solution

Introducing the Facility Portal: Your Command Center

CareSmartz360 provides facilities with access to a suite of features in one centralized location, revolutionizing facility staffing management.

Direct Request Submission

Facilities submit detailed requests directly, eliminating unnecessary communication channels.

Map & Match Caregiver Skills

Connect the right caregiver with the right skills for every resident's needs.

Open Shift Manager

Streamline scheduling by managing open shifts, tracking requests, and assigning caregivers directly.

Broadcast & Manage Requests

Simplify scheduling with facility-specific broadcasts and effortless request management.

Facility Management of Requests & Visits

Track all schedule requests and visits in one central location, ensuring clear oversight.

Document Verification

Ensure compliance and quality care with instant document review within the portal.

Manage, Schedule, Track – All with One Facility Staffing Suite

From seamless facility and caregiver management to precise workforce scheduling, informing, and tracking, we offer unparalleled control over your facility staffing business. Gain complete oversight and peace of mind as you optimize every aspect of your operations with our integrated suite.

Key Benefits:

Facility Management Made Easy:

- Integrated data hub & dedicated facility accounts.
- Compliance automation for peace of mind.
- Communication hub for smooth coordination.
- Private pay management & timely reimbursements.
- In-depth reporting & performance insights.

Caregiver Management Reimagined:

- Centralized hub for swift caregiver searches & assignments.
- Flexible scheduling & open shift access for instant staffing.
- Seamless collaboration & instant communication.
- Expense tracking & transparent record-keeping.
- Simplified invoicing & accurate time tracking.
- Advanced mobile app & portal for empowered caregivers.

The Caregiver App Advantage:

- Instant job notifications & effortless applications.
- Centralized dashboard for complete schedule overview.
- Multilingual support for diverse teams.
- Real-time clock in/out & GPS location tracking.
- Automated payroll processing & exception reporting.
- Digital signatures for work time approval.

Facility Portal Advantage:

- Interactive scheduling that bends to your needs.
- Direct facility control for open shifts & caregiver attraction.
- Targeted broadcasts to find the perfect caregiver, every time.
- Skills & service matching for effortless connection.

#1 Home care management software to transform the way you provide care.
